Texas AgriLIFE Urban Solutions Center at Dallas
Tarrant Regional Water District

17360 Coit Road, Dallas, Texas 75252
800 East Northside Drive, Fort Worth, Texas 76102

February 23, 2010

PUBLIC MEETING ANNOUNCEMENT:

The Tarrant Regional Water District in cooperation with Texas AgriLife Research and The Texas AgriLife Extension Service, agencies of The Texas A&M University System, invites you to attend a public meeting.

Eagle Mountain Lake and Watershed Protection Planning Meeting

Wednesday, March 17, 2010

1:30PM to 4:00PM

Azle Memorial Library

333 West Main Street

Azle, Texas 76020

The meeting will include a report on computer modeling of pollutant levels and sources for Eagle Mountain Lake as well as a presentation of the economic management practice evaluation tool that will be utilized in development of the watershed protection plan.

Watershed planning seeks stakeholder-based solutions to water quality issues by accounting for and managing the activities that occur on the lands that drain to rivers and lakes. A map of the Eagle Mountain Lake watershed is included on the reverse side of this announcement.

The North Central Texas Water Quality Project is supported in part by The Tarrant Regional Water District, Texas AgriLIFE Research and Extension, the United States Environmental Protection Agency, the United States Department of Agriculture- Natural Resources Conservation Service, the Texas State Soil and Water Conservation Board, and the Texas Commission on Environmental Quality.

To ensure the proper amount of supporting materials and refreshments, please RSVP for the meeting to David Waidler, Watershed Coordinator, at d-waidler@tamu.edu or 972-952-9689.
